Safer Supply, Opioid Agonist Treatment & Harm Reduction

Regional Advocacy Toolkit:
British Columbia

Section 3: Regional Safer Supply Providers, Opioid Agonist Treatment Providers, and Harm Reduction Resources

This directory contains a non-exhaustive list of regional safer supply providers, OAT providers, and harm reduction resources. If you can't find what you're looking for here, or if you're looking for more resources in your community, these national resources might be useful:

[CATIE "Where To?" Directory](#)

This website is for people looking for HIV, hepatitis C, sexual health or harm reduction services in Canada, with additional resources to support their journey to health and wellness.

[Government of Canada Interactive Map - Canada's Response to the Opioid Overdose Crisis](#)

Use this map to find federally funded locations of opioid-related activities taking place in communities across the country.

[Canadian Drug Policy Coalition - Canadian Harm Reduction Map](#)

Use this interactive map to find harm reduction services in your region.

[Dope Policy Find Harm Reduction Services Map](#)

Use this interactive map to find harm reduction services in your region.

[PIVOT Legal - Canada's Supervised Consumption and Overdose Prevention Sites Map](#)

Use this interactive map to find supervised consumption and overdose prevention sites in your region.
